

Avigilon™ Control Center 6 Release Notes for Integration with STENTOFON AlphaCom XE System

STENTOFON AlphaCom XE System 6.0.0.24 – Released July 7, 2017

Release Summary

This integration update adds support for connecting STENTOFON AlphaCom XE System to ACC 6. This integration allows alarms in ACC to be triggered whenever an AlphaCom help point is activated, allowing both live viewing and automatic recording of these events.

New Features & Issues Fixed

- Added the ability to connect STENTOFON AlphaCom XE System to ACC 6
- Added live updates functionality which allows updating the configuration without losing any events
- Fixed admin tool prompting to save changes even when no changes were made

Supported versions of ACC

- ACC 6.0.0.24 and later

Supported versions for STENTOFON

- STENTOFON AlphaCom XE System

Known limitations

- No known limitations
